**16/8/2021**

## Newscaster / Journalist

£32,833  
average salary

The UK average salary is £28,758

44  
average weekly hours

There are 37.5 hours in the average working week

52% male 48% female

The UK workforce is 47% female and 53% male

### Description

Introduce and present radio and television news reports. Alternatively, some journalists will create and edit reports for newspapers, magazines and websites. This employment requires individuals to be quick and responsive due to tight deadlines.

### Qualifications

Entry does not depend on academic qualifications although some drama schools require candidates to have GCSEs/S grades or A levels/H grades or a degree. Entry can be based upon an audition. Membership of the appropriate trade union is usually required. NVQs/SVQs in performing arts are available. For journalists, media and English skills will need to be high.

# Newscaster / Journalist
