

Welcome to Wombourne Computer Science

To help prepare you for your journey from key stage 2 into key stage 3, we would love it if you completed the tasks set in Seneca Learning – a platform we sometimes use in school to help students learn new concepts.

All the content in the tasks is content that you should have been taught during your time in primary school so you should know a lot of it already.

Follow the instructions in the image to the right to access the tasks.

Best of luck!

To join Mr Gubby's class: Transition 6

1. Go to the website:
app.senecalearning.com/join-class
2. Sign up as a student
3. Type in the class code: [hclc9783p9](#)

Or scan the QR code with your phone
