## Description

Physiotherapists plan and apply massage, promote and encourage movement and exercise, use hydrotherapy, electro-therapy and other technological equipment in the treatment of a wide range of injuries, diseases and disabilities in order to assist rehabilitation by developing and restoring body systems.

## Qualifications

Entry is most common with GCSEs/S grades and A levels/H grades followed by up to four years training on an approved degree scheme necessary for state registration as a physiotherapist. Some science and other graduates are eligible for accelerated two-year pre-registration MSc degree programmes in Physiotherapy or Rehabilitation Science. Candidates must pass a medical examination.
