Description?

Speech and language therapists are responsible for the assessment, diagnosis and treatment of speech, language, fluency and voice disorders caused by disability, injury or illness.

Qualifications

Entrants require a recognised graduate or postgraduate degree that encompasses both theory and clinical practice. Successful completion of these courses leads to eligibility for a certificate to practice and membership of the Royal College of Speech and Language Therapists. Full membership is granted after completion of a year of supervised, post-qualifying experience.
